

Roto-Rooter Sewer & Drain Service

At Godlove Enterprises, Inc. we serve the central Indiana counties of White, Carroll, Jasper, Newton, Benton along with Greater Lafayette and West Lafayette as well as some surrounding communities. We offer sewer line, sink drain, storm drain and tile cleaning services bearing the name "Roto-Rooter". With technology advancing our industry we can even run our camera thru the sewer line and provide a DVD to our customers with results they can see for themself. Roto-Rooter has been the name you can trust for sewer and drain service for over 60 years.
